FISCAL NOTE

HB 2376 - SB 2334

March 10, 2009

SUMMARY OF BILL: Removes destruction of a weapon as an option for disposing of confiscated weapons. Under current law, weapons may be sold, retained for law enforcement purposes, or destroyed.

ESTIMATED FISCAL IMPACT:

**Increase Local Revenue – Exceeds \$100,000/Permissive
Decrease Local Expenditures – Not Significant**

Assumptions:

- Local government revenue may experience a permissive increase if additional weapons are sold at auction that would have been destroyed in the absence of this legislation. This permissive increase is estimated to exceed \$100,000.
- Increased revenue will be allocated to the county or municipal general fund and earmarked for local law enforcement purposes.
- Local governments will experience a not significant decrease in expenditures due to no longer destroying weapons.
